Disclaimers:

*Running cost based on electricity and fuel prices in Pune as of January 2024.

^Range mentioned may vary as per riding condition, payload, and road conditions.

+The standard warranty is for 3 years; the 5-year option is not included. For an extra 2 years of coverage, a separate purchase is necessary.

#This top speed is influenced by various factors, including battery charge level, road conditions, rider weight, and environmental variables.
